The Wessex General Practice Nurse Leadership Programme LAST CHANCE

The programme has been developed to help General Practice Nurses who have been identified as emerging leaders or who are in a formal leadership position and want to develop their skills to support their teams better to provide high quality services. [Book here.](#)

Systems Leadership Webinar: Leading when you are not in charge NEW

Based on approaches already in use across the NHS, local government and other public services, this masterclass will offer insights into systems, or adaptive leadership and give practical advice on ways of working that make a real difference and that everyone can use. To find out more and to book [click here.](#)

Innovation Within Inclusion Workshop NEW

This one-day workshop is designed to help you develop new approaches and gain new skills that will allow you to tackle everyday inclusion challenges in a new and more effective way. This workshop is aimed at EDI leads and those who work in the Inclusion space and want to achieve better impact through innovation. For mor information and to book [click here.](#)

Graduate Management Training Scheme (GMTS) Placement Engagement Webinar in the South East Region NEW

This is an opportunity for you and your organisation to find out more about the scheme and how your organisation could benefit from getting involved. To find out more and to book your place [click here.](#)

BME Reverse Mentoring scheme

This fully funded programme offers the unique opportunity to have a voice within the NHS system. You could mentor a senior leader (HR Director or similar role) and help them understand what it is like being BME in the NHS. To find out more [click here](#).

Rosalind Franklin programme is open for applications

The Rosalind Franklin programme is for clinical or non-clinical middle leaders aspiring to lead large and complex programmes, departments, services or systems of care. It aims to shape middle leaders' knowledge, skills, attitudes and behaviours to help them become outstanding, compassionate and inclusive leaders. For more information and to apply [click here](#).

Health and Care Women Leaders Network

[This free network](#) delivered by NHS Confederation and NHS Employers is for women working across health and care. Connecting through events, masterclasses, tweet chats, and sharing learning through podcasts, blogs, videos and key reports, this network celebrates skills and talents of women and challenges gender stereotypes in the workplace.

Contact: For regional offers: localevents.tvwla@leadershipacademy.nhs.uk

For partner offers – please follow the link in the offer you are interested in and contact organisers directly.

Recognition of Trainers: Developing Trainees' Leadership Skills Workshop

This opportunity is open to Wessex Educational/Clinical Supervisors wish to understand the latest leadership models and approaches in today's NHS and increase their confidence and competence to teach leadership skills. For more information and to book your place [click here](#).

NHS ConfedExpo – registration is now open

It brings together the NHS Confederation Annual Conference and Exhibition and the Health and Care Innovation Expo to inspire NHS and social care leaders, commissioners, clinicians, voluntary sector partners and industry leaders to come together at a time of transformation in the system. Find out more [here](#).

Kent, Surrey and Sussex GMTS network is now live

Calling all NHS Graduate Management Training Scheme Alumni from Kent, Surrey and Sussex to sign up to join our mailing list and be kept up to date on networking events, personal development and job opportunities in the KSS region. Join the network [here](#).
